Friday - Saturday 9:00-4:00 p.m.
Sunday Limited flying

Where: T.I.M.P.A. Tucson International Modelplex Park Association 160 unobstructed acres for radio control flying ,750 X 75 ft paved runway (with run off)
TIMPA Web site (<http://www.timpa.org>)

West on Speedway past the ARCO AM-PM. Continue on Speedway through Gate's Pass (Speedway turns into Gate's Pass Road). Use caution; the road is narrow, winding, and shared by bicyclists.

Right onto Kinney Road; follow the signs towards the Desert Museum. This intersection is approximately 9.2 miles from the ARCO AM-PM. Follow Kinney Road onto Mile Wide Road (this occurs approximately 1 mile after the Desert Museum). Kinney is the minor spur which heads off to the Saguaro National Park. Stay to the left on the major road (Mile Wide).

Continue on Mile Wide Road to Sandario. This intersection is approximately 6 miles from the Kinney/Gates Pass intersection.

Continue on Mile Wide across Sandario. Mile Wide will turn to dirt after the second bridge (both bridges are single lane, use caution).

Right onto Reservation from Mile Wide (forced turn). This is about 3.5 miles from the Sandario/Mile Wide intersection.

You will see a house and large metal building on the right about 1 mile from the forced right turn. This is the main entrance to TIMPA.

Cost: Parking \$5.00 per car - Bring Lawn Chairs Concessions will be available
